Description

Renaissance is an outstanding example of the highly regarded Hanse 415. Offered for sale by her original owner, she has been lightly used and shows just over 295 engine hours

Finished with teak side decks, her sleek profile and refined detailing highlight Hanse's renowned build quality and design sophistication.

Designed by Judel/Vrolijk & Co., Renaissance features a well-balanced hull that delivers both impressive performance and easy handling, perfect for spirited sailing or relaxed short handed cruising. All control lines lead aft to twin electric sheet winches, ensuring effortless sail handling and hoisting.

The oversized cockpit offers comfort and practicality, with integrated rope lockers keeping everything tidy. Cockpit cushions and a large folding table provide the perfect setting for alfresco dining, whether at anchor or underway.

Below deck, the sought after two cabin layout offers a spacious forward owner's cabin with ensuite, and a large double aft cabin. The day head, complete with a separate shower, is located to port, while a generous lazarette to starboard provides excellent storage with access from both the galley and cockpit.

The bright and airy saloon provides plenty of space for entertaining, including a convertible settee and an additional pull-out double berth beside the dining table. Finished in warm cherry wood with teak and holly flooring, the interior feels both inviting and contemporary.

Ample natural light streams through numerous opening hatches and fixed hull windows, complemented by indirect and dimmable LED lighting to create a relaxed, comfortable ambiance throughout.
