Description

2015 Bar Crusher 780HTP TWIN RIG – Built for Offshore Adventure

The Bar Crusher 780HTP is the flagship model in Bar Crusher's range, designed for extended offshore runs, remote fishing missions, and ultimate confidence in rough conditions.

Built tough with Bar Crusher's industry-leading Rigideck® construction and Quickflow® water ballast system, this boat offers outstanding strength, stability, and performance.

The massive deck space, high sides, and premium fit-out make it perfect for chasing big fish wide offshore or cruising long distances in comfort and safety.

Whether you're chasing tuna, heading to the reef, or exploring remote coastlines, the 780HTP is ready to go the distance.

This one owner boat has been well looked after. Inspection highly recommended.
