Description

Riviera 395 SUV "Myrtle" - Style, Space & Proven Capability

The Riviera 395 SUV is perfectly sized for couples or families seeking a stylish, spacious, and easy-to-handle motor yacht. Representing the pinnacle of Australian boatbuilding, the 395 carries the premium finishes and design innovation seen in her larger Riviera sisters — all in a compact, versatile platform.

As the entry point to Riviera's acclaimed SUV range, Myrtle is ideal for coastal cruising, entertaining, and extended getaways.

Featuring a seamless single-level layout from the open cockpit through to the saloon, she offers excellent flow and functionality. The well equipped aft galley is centrally positioned for effortless indoor/outdoor entertaining, while panoramic wraparound windows flood the saloon with natural light and sweeping views.

Her accommodation consists of a forward master cabin with island bed and private access to the head, full-beam aft cabin with three single berths that easily convert to an oversized double.

Myrtle is located at Hidden Harbour Marina of the Mornington Peninsula and is well worth an inspection.

Engine Details

Engine Make	Volvo
Engine Hours	700
Horse Power	370
