Description

Step onboard and immediately feel the space and comfort offered from this beautiful Bavaria. Well known for their cruisability this Cruiser 51 does not disappoint. Offering the largest cockpit in her class coupled with ample shade protection it's the perfect place to sit at anchor or while sailing to watch the world go by.

When its time to relax downstairs additional space is provided by the galley being set to port which allows for a spacious saloon with plenty of natural light. The saloon table is able to be converted to offer full size dining or foldable to create a relaxed lounge feel.

There are three full size cabins with ample natural light, each with its own ensuite and an additional cabin with twin bunks.

Even with her size, docking is made simple with her responsive helm coupled with a 75Hp engine and bow thruster. Sailing is a dream with her furling non overlapping headsail and furling mainsail. Like all Bavarias, Smooth Sailing has a Selden mast and boom which is oversized for the task and offers peace of mind sailing.

Electric primary winches makes adjusting the headsail very easy and her clear side decks with flush hatches makes navigating the deck spaces a breeze.

Berthed at Hidden Harbour marina on the Mornington Peninsula.

Features

Length (m)	14.99
Beam/Width (m)	4.67
Draft (m)	2.25
