Description

Hidden Harbour Marina is nestled within the Martha Cove precinct and offers year round protection for your pride and joy. Located on the stunning Mornington Peninsula the boating on offer is second to none and with an ever growing community of boaters, the chance to secure your own freehold berth does not come up all that often.

Securely set back from the main entrance this berth is well protected from the elements. The marina also offers gated access along with 24/7 security patrols which gives you that extra peace of mind.

The development within the precinct continues to grow and is now home to a state of the art boatyard with haul-out options up to 70 tonnes. Fuel and pump out facilities are also available along with Martha's Table Restaurant which is a great spot for lunch or to provision up for a day out on the water.

The annual body corporate fees are approx \$1,500 and include water and power.
