Description

An exceptional opportunity to secure two adjoining 14-metre marina berths in the highly sought after Martha Cove Marina, offering outstanding flexibility for boat owners and investors alike.

This rare offering presents the unique opportunity to accommodate multihull vessels up to 45ft, secure berthing for two separate vessels, or utilise one berth for your own boat while leasing the other to generate rental income which currently can be $20,000 per annum.

This presents an attractive opportunity to enjoy the benefits of marina berth ownership while retaining the potential for rental income.

Positioned within Martha Cove’s sheltered and beautifully protected harbour, the berths offer convenient access and ease of arrival and departure, making them ideal for both regular boating and extended cruising.

Marina berths at Martha Cove are tightly held, and the opportunity to secure two adjoining berths is particularly rare, especially with the flexibility to accommodate a larger multihull vessel.

Beyond the berths themselves, Martha Cove offers an exceptional boating lifestyle, with a vibrant waterfront community and outstanding amenities close at hand. Martha’s Table provides the perfect setting for a morning coffee before heading out on the water or a relaxed dinner overlooking the marina at the end of the day.

Whether you're looking for a home for your multihull, berthing for two vessels, or the flexibility of combining personal use with rental income, this is an opportunity not to be missed.
