Description

Ready for Summer!

This 2006 Sea Ray Sundancer 340 is in great condition, offering an excellent balance of performance and comfort. Powered by twin MerCruiser 6.2L engines with Shaft V-drives and equipped with a bow thruster for effortless handling and minimal maintenance. With just 216 engine hours, new manifolds and risers, recently antifouled and serviced, she's in true turn-key condition.

The cockpit provides ample space with U-shaped seating that comfortably accommodates six adults. A large swim platform with a rail-mounted BBQ is ideal for preparing meals while enjoying the water and the helm station offers a comfortable driving position with great visibility.

Below deck, the interior is in near-new condition, indicating light use. For extended stays aboard, the accommodation includes a spacious island bed forward, a rear sofa under the companionway that converts into a double bed and a comfortable settee to starboard that can be made into a single bed. The functional galley to port features a fridge, electric cooktop and microwave.

For added comfort, the boat is equipped with air conditioning and for longer stays, a Kohler 4KVA generator ensures reliable power onboard.

Inspections highly recommended.
